MANAGEMENT OF ASSETS – GROWTH SEGMENT IN SWISS FRANCS

From 1 June 2011 onwards, it is possible to subscribe not just to the growth segment in euros (Segment A) and the conservative segment in euros (Segment B) but also to a growth segment in Swiss francs (Segment C).

The Foundation Board, advised by the investment committee, has decided to introduce this segment in the light of the exchange-rate volatility that is affecting beneficiaries living in regions other than the euro zone, particularly in Switzerland.

Its aim is to produce a long-term return.

It is opened to all beneficiaries who want to join it.

ELECTIONS

The meeting re-elected President Jacques-André Schneider and three of the Foundation Board members—Anne-Marie Arbaji-Sfeir, Dominique Baz, and Agnès Perrot—to three-year terms.
