BROCHURE PRESENTING CPIC: “Customised retirement provision for a remarkable profession”

The Foundation Council has created a brochure for presenting CPIC, with a view to reinforcing the dialogue with the new generation of interpreters and to encouraging them to join the Fund. It has been sent to all beneficiaries and is available for consultation on CPIC’s website. Each beneficiary is urged to present it to the colleagues with whom he or she comes into contact and can also request the secretariat to send additional copies for distribution.

ENGLISH TRANSLATION OF THE STATUTES AND BY-LAWS

Reacting to the request formulated at the 2013 General Assembly to clarify the basic texts in their English version as regards the use of the terms “pensions” and “annuities”, the Foundation Council reports that it is the term “annuities” that is considered to be the more appropriate. It should be remembered that it is only the French texts, being the original version, that are legally binding.
