RECRUITMENT OF NEW BENEFICIARIES

The Foundation Council wished to encourage beneficiaries to continue to distribute the CPIC brochure “Customised retirement provision for a remarkable profession”, with the aim of reinforcing the dialogue with the new generation of interpreters, of urging them to join the Fund and of becoming part of the network of interpreters who benefit from it. The brochure can be ordered by e-mail.

The secretariat had renewed contacts with the interpretation schools in Europe and had presented CPIC on the occasion of AIIIC meetings.

The CPIC website was soon to be entirely renewed and aligned graphically with the CPIC brochure.

ELECTIONS

The Assembly re-elected its President, Jacques-André SCHNEIDER, and also three of its members of the Foundation Council for a further three-year period of office, Anne-Marie ARBAJI-SFEIR, Dominique BAZ and Agnès PERROT.
